

## PIRATES WIN FIRST GAME OF SERIES FROM DETROIT TIGERS

Champions of National and  
American Leagues Clash  
in Pittsburgh.

### DETROIT SCORED IN FIRST INNING

IN THE FOURTH, HOWEVER,  
CLARKE TIED THE SCORE WITH  
A TERRIFIC DRIVE INTO THE  
BLEACHERS FOR A HOME RUN.  
RAGGED FIELDING ALLOWED  
PIRATES TO MAKE THREE  
MORE RUNS, CINCHING THE  
GAME.

By Associated Press.  
Pittsburg, Oct. 8.—In the presence  
of forty thousand fans, who occupied  
every available seat in Forbes field,  
the Detroit Tigers, champions of the  
American league, went down in defeat  
at the hands of the Pittsburg Pirates  
in the first game of the world's  
championship series this afternoon.  
The score was 4 to 1. Detroit's poor  
fielding, coupled with timely hitting  
by Clarke, Wagner and Gibson, ac-  
counted for the victory.

Detroit scored home runs when  
Cobb scored a run in the first inning.  
Adams, the young twirler selected  
for the opening day, was a trifle wild  
at the start. After two were out he  
passed the hard hitting Ty Cobb to  
first, and on the next pitched ball  
Cobb stole second, scoring Detroit's  
only run when Deleahanty hit to center.  
After this inning Adams settled  
down and held the hard hitting  
American league champions safe.

HOME RUN DRIVE.  
Pittsburg was helpless before Mul-  
lin for the first three innings, going  
out in order, but in the fourth, with  
two out, Clarke made a terrific drive  
into the bleachers, and circled the  
bases, tying the score.

Detroit's ragged defense in the fifth  
inning, coupled with Gibson's two-  
bagger, broke the tie, Pittsburg scoring  
twice, while in the sixth the Pi-  
rates annexed another run.

Tommy Leach was the star in field-  
ing for the Pirates. Cobb drove the  
ball in the seventh to deep center  
with two men on bases, which would  
have tied the score, but Leach after  
a hard sprint got under it and made  
a sensational catch.

The score:

Pittsburg . . . 000 121 00—4 6 0  
Detroit . . . 100 000 00—1 6 3  
Batteries—Adams and Gibson, Mil-
